Introducing

SKETCHY NIGHTS

As part of the Sketchy London Exhibition 2018

SKETCHY NIGHTS (9, 10 & 16 Aug) is a unique international event showcasing theatrical responses to art.

On these selected dates, SKETCHY NIGHTS brings the exhibited collection to life through an eclectic programme of international new writing pieces. Step into the hilarious and heartbreaking worlds evoked by the global artwork that surrounds you at Hackney's beautiful Stour Space.

Sketchy has been created by fine artist, Lucy Ralph, and actor, Katherine Moran, as a celebration of art in its many forms. Sketchy aims to make contemporary art more accessible, to start conversations between different artistic disciplines and create an exciting, original and inclusive common project.
